

COMPANY BIO

Professional Business and Systems Management, Inc. (DBA: PBS Management) is a HUBZone Certified minority-owned IT and Management Consulting Company that provides support to the federal government as well as for the private sector. PBS Management focused on delivering high-quality, impactful solutions using industry-wide best practices, including Program Management Institute (PMI) methodology and collaboration tools to manage projects, resulting in excellence in solution delivery.

CORE COMPETENCIES

Our Personnel have industry-recognized professional certifications and recognitions, including “The Frontier Award for Ingenuity/Innovation” by the Chief Financial Officer of the US Department of Homeland Security, PMP, ITIL, and Agile certifications. As a testament to our use of proven methodologies and thought leadership to help our customers optimize business processes and achieve operational efficiencies, our key staff have received many other awards such as the “Best Customer Service Award” by the Executive Director of Asset Management at DHS ICE.

DIFFERENTIATORS

Our combined extensive governmental financial management, audit remediation, internal audit support, information risk management, and information technology experience enables us to offer the broadest skill sets to meet any challenge.
